

**"A Prayer for Second Chances"**  
**Music and Lyrics by Tyler Burns, © 2012**

**Verse 1**

When I see a debutante acting so dull  
A paint-by-numbers sketch on an unblemished scroll  
I get a taste for bitter food  
I get a taste for bitter food

**Verse 2**

When I hear a young man of curious aims  
Admit to someone else passion fed by two flames  
I get a taste, I do, for bitter food  
I get a taste for strong drink

**Chorus**

Because I know that when the  
Rain pours down  
They'll prolong their goodbyes  
And when the wind knocks me over  
The faster their jets fly by  
The only words of comfort I may hear  
Are, "Don't look so wrecked. What did you expect?"

**Outro**

A prayer for second chances  
A prayer for second chances  
A prayer for second chances, whoa-oh-oh-oh-oh-oh
