

"Mirror Phobia"

Music and Lyrics by Tyler Burns, © 2012

Verse 1

B/E, B, C#m

B/E, G#m, A (repeat)

Spider eyes

A thousand views of my face

Be safely blurred by disaffection

In the light of the day

Every bathroom (every little bathroom)

Like a gleaming royal chalice

And every fad's

Shiny window ad

Like a televangelical crystal palace

Chorus 1

B(add2) C#m(add9)

I know I've gone too far

Amaj7 B/E

I don't know what else I can do

B(add9)

Build a casket

C#m(add9)

In a tar pit

D Dmaj7 Dmaj9

Hide away, hide away from this

Dmaj7#11 B/E

Mirror phobia

Verse 2

B/E, B, C#m

B/E, G#m, A (repeat)

The pictures

Really were fun

The ones we took in an oatmeal bath

Veiled from unflattering sun, oh-ho-ho

The pictures

Were admittedly fun

But would you believe?

Could you conceive?

That I tore them to shreds, every one, and
