

## **“Frankenthaler”**

**Music and Lyrics by Tyler Burns, © 2013**

### **Chorus 1**

**Gmaj7, Dmaj7 (repeat)**

I could stand here for fifteen years and  
Stare at this Frankenthaler with ease  
I could stand here for fifteen years and  
Stare at this Frankenthaler with ease  
If I had the faith

### **Verse 1**

**Gmaj7, Dmaj7 (repeat)**

Does it all seem impossible?  
Sometimes it does  
But is it truly impossible?  
On the nights when you drink alone  
You wish it was  
You wish it was

### **Verse 2**

**Gmaj7, Dmaj7 (repeat)**

Why do you lock yourself in your room?  
You want to be out making friends, having fun every night  
But you know that cheating the system just ain't right, well

### **Chorus 2**

**Gmaj7, Dmaj7 (repeat)**

I could stand here for fifteen years and  
Stare at this Frankenthaler with ease  
I could stand here for fifteen years and  
Stare at this Frankenthaler with ease  
If I had the faith

### **Verse 3**

**Gmaj7, Dmaj7 (repeat)**

Does it all seem a carousel?  
A hazy blur  
But is it truly a carousel?  
Every morning when you hit the Scotch  
You wish it were  
You wish it were

#### **Verse 4**

##### **Gmaj7, Dmaj7 (repeat)**

Yes, every word is true  
At least in their little minds  
But ignore what they say  
Drink what you drink  
Close your eyes and two-step to this beat  
You know, I like the way you move your feet, well

#### **Chorus 3**

##### **Gmaj7, Dmaj7 (repeat)**

I could stand here for fifteen years and  
Stare at this Frankenthaler with ease  
I could stand here for fifteen years and  
Stare at this Frankenthaler with ease  
If I had true faith
