

“Make the Races”

Music and Lyrics by Tyler Burns, © 2013

Verse 1

Em(add9), Bm(add9), A, Dmaj7 (repeat)

Calling every doctor
Calling every nurse
Bleed the ground with needle frame
A left-handed curse
But, don't help him
He's no good
Look right through
The boy who cries wolf
The accusations
All make my head spin round

Chorus 1

Gmaj7 Dmaj7
So I would like to apologize
Gmaj7 Dmaj7 C#maj7 Cmaj7 A
For all the times I laughed in peoples' faces
Dmaj7
I wanna make the races
Gmaj7 Dmaj7
I would like to apologize
Gmaj7 Dmaj7 C#maj7 Cmaj7 A
For all the times I rubbed you in wrong places
Dmaj7
I wanna make the races

Verse 2

Em(add9), Bm(add9), A, Dmaj7 (repeat)

Statues in the courtyard
Pine and juniper
Vaulted does flesh coalesce
With frankincense and myrrh
The night bequeaths its Judas kiss
I realize that I am nothing
The constellations
All make my head spin round
