

“Four Leaf Clover”

Music and Lyrics by Tyler Burns, © 2011

Intro (instrumental)

Ebmaj9, F6 (x4)

Verse 1

Ebmaj9, F6 (repeat)

Blue-eyed Ashkenazi

At my side

Under cover

Dressed a bit like James Bond tonight, uh-huh

The face don't match, but that's ok

A face is good; a face will play

It's the gift of gab that gets the deals

Gm7

Whisky neat, just spin the wheels

Chorus 1

Ebmaj9, F6 (x4)

(I can't lose tonight) talkin' bout my

One, one, two, three, four-leaf clover

Interlude (instrumental)

Ebmaj9, F6 (x4)

Verse 2

Ebmaj9, F6 (repeat)

Didn't like the food rules

But they paid off

The taste of money

(Always) much better than stroganoff

We cashed out before the fall

He saw the writing on the wall

It's the gift of gab that gets the deals

Gm7

Whisky neat, just spin the wheels

Chorus 2

Ebmaj9, F6 (x8)

(I can't lose tonight) talkin' bout my

One, one, two, three, four-leaf clover

Outro (instrumental)

Ebmaj9, F6 (x8)
