

## **"Passover"**

**Music and Lyrics by Tyler Burns, © 2017**

### **Verse 1**

**F(add 9)** **Db(add 9)**  
A forest needs a fire  
**Bbm7** **F(add 9)**  
For the vermin to be tamed  
**Db(add 9)**  
But when a man is broken  
**Bbm7** **F(add 9)**  
His confidence is maimed

### **Pre-Chorus 1**

**Ebm7** **Gb/Ab** **Dbmaj9**  
I sometimes wonder where you are  
**Eb/F** **F**  
And where you've been  
**Ebm7** **Gb/Ab** **Dbmaj9**  
One little whisper in my ear  
**Abm7** **G7b5** **Gb(add 9)**  
I swear I'm being tricked by you  
**GbmM7** **F7+5**  
Again...

### **Chorus 1**

**Bbm9**  
What happens  
**Ab(add 9)/Bb**  
To the man who grows so tall  
**Gb(add 9)/Bb**  
That he falls over?  
**F7+5#9/Bb** **Bbm9**  
He falls over  
  
What happens  
**Ab(add 9)**  
When a woman grows so tough  
**Gb(add 9)**  
She gets passed over?  
**F7+5#9** **Bbm9** (first chord of Interlude)  
She gets passed over

**Ab/Bb**

She gets passed over...

That you're no good
